

FROM THE WINEMAKER

Greetings from Walla Walla,

We had a bit of a late start to our 2022 harvest, but it has turned out to be worth the wait. The warm temperatures during the day with our noted diurnal shift really set the stage for balanced fruit. Cool nights helped retain the acid and the warm temperatures pushed the grapes to their full ripening potential. With most all varietals ready at the same relative time, our harvest was compressed and a logistical feat to say the least. I'm looking forward to sharing this new vintage with you as we continue to get it buttoned up for the winter.

White wine fans rejoice! You will be receiving our 2021 Artz Vineyard Sauvignon Blanc- Semillon from Red Mountain. This wine simply sparkles. Highlighted by its versatility, it will pair with a myriad of culinary creations. This cuvee will be your go to for the holiday season.

We've got a new wine for you from The Rocks AVA on the Oregon side of the Walla Walla Valley. Introducing our 2020 River Rock Vineyard Syrah which we co-fermented with a bit of Viognier from the same site. This was a fun one to make and I hope you enjoy its nuanced complexity.

Another exciting wine in this shipment is our 2020 Heart of the Hill Merlot from Red Mountain. We haven't produced a 100% Merlot for many years, so it's fun to showcase it this vintage. Where else in the world can you find a Merlot that drinks like a Cab? The answer is right here in Washington State, this wine is truly a gem. Happy Holidays from all of us at Three Rivers!

Cheers,

Holly Turner

2020 RIVER ROCK VINEYARD SYRAH

Our 2020 River Rock Syrah is rustic and juicy. We co-fermented the Syrah with Viognier which adds nice tannin from the stems and a lot of complexity as these varietals complement each other beautifully. This wine opens with aromatics of bright red fruit and smoked candied bacon that delight the senses. This is a medium-bodied syrah with round red fruit and maple syrup nuances expressed throughout the lingering finish.
