

FROM THE WINEMAKER

Greetings from Walla Walla,

The vines are pruned and ready to welcome in summer! May is a beautiful time of year in Walla Walla where we love to watch the landscape turn into lovely shades of green. And we have big news! May 3rd through September 20th we've got the Friday night concerts booked for the seasonal live music series, so check out the details below and please join us for an evening of great wine and tunes.

Fun times, fun wines for this shipment:

The perfect wine for the season, the 2022 Artz Vineyard Sauvignon Blanc-Semillon is our go to wine this summer. This bright and beautiful classic white blend from Red Mountain is an excellent match for outdoor entertaining and summer meals.

Our 2022 Red Mountain Malbec is a real showstopper! The 2022 growing season kept a warming trend through October which allowed the grapes to retain great acidity and inky color. This wine will benefit from a bit more time in the bottle, but if you can't wait, just enjoy.

And the last of the bunch is the 2022 Walla Walla Valley Trivulet. This lovely blend of Cabernet Franc and Merlot is our rendition of an old-world blend that is always a wine club member favorite. And one of ours as well!

Enjoy the summer season friends,

Holly Turner

Enjoy our new release 2022 Trivulet!

2022 ARTZ VINEYARD RED MOUNTAIN SAUVIGNON BLANC-SEMILLON

Artz Vineyard is named for Fred Artz, a legendary grape grower on Red Mountain. The vineyard is planted on the lower bench of Red Mountain, overlooking the Yakima River at an elevation of 652' facing southwest. The predominant soil types of Red Mountain are Warden, Hezel and Scootenay which are a series of wind-blown loess. We are excited to showcase this classic blend of Sauvignon Blanc and Semillon. Sauvignon Blanc brings brightness to the aromatics and finish while Semillon supplies weight to the palate. Complex aromas of Asian pear and lemon custard with citrus and honey flavors give way to a velvety finish.

APPELLATION	100% Red Mountain
VARIETAL BLEND	67% Sauvignon Blanc, 33% Semillon
AGING	6 months in 20% new French oak barrels

2022 RED MOUNTAIN MALBEC

The 2022 Malbec is a brilliant expression of a Red Mountain Malbec. Dark as night in the glass, this wine is lush with juicy blackberry and huckleberry aromas spilling into a cauldron of big, bold fruit with hints of milk chocolate, espresso and iron. This robust and structured wine with dense, layered tannins is a showstopper that you can cellar for years to come or enjoy now.

VARIETAL BLEND	87% Malbec, 8% Cabernet Sauvignon, 3% Merlot, & 2% Petit Verdot
AGING	16 months in 40% new French oak barrels

2022 WALLA WALLA VALLEY TRIVULET

We really like to blend but coming up with a name can be tricky. To stay with the river theme, we came across “Rivulet” (a very small stream), we liked it, however, it was already taken. So, we added a “T” for Three Rivers and made up our own word, “Trivulet”. Our idea was to create a classic blend of Cabernet Franc and Merlot, sourced from impressive vineyards throughout Eastern Washington. These noble varietals marry so well, no wonder this combo has been considered to be one of the best in the world. Luxurious aromas of bright red raspberry, rose petal, and floral hints emerge with the first pour. On the palate, notes of rich milk chocolate are accented with hints of powdered earth that leads to a bright, mouthwatering finish.

VARIETAL BLEND	50% Cabernet Sauvignon (Walla Walla Valley) & 50% Merlot (Red Mountain)
AGING	16 months in 60% new French oak barrels
